### Ada Twist, Scientist

Andrea Beaty

The creators of the New York Times bestselling picture books *Rosie Revere, Engineer* and *Iggy Peck, Architect* are back with a story about the power of curiosity in the hands of a child who is on a mission to use science to understand her world. *Ada Twist, Scientist*, from powerhouse team Andrea Beaty and David Roberts, is a celebration of STEM, perseverance, and passion.

Like her classmates, builder Iggy and inventor Rosie, scientist Ada, a character of color, has a boundless imagination and has always been hopelessly curious. Why are there pointy things stuck to a nose? Why are there hairs growing inside your nose? When her house fills with a horrific, toe-curling smell, Ada knows it's up to her to find the source. Not afraid of failure, she embarks on a fact-finding mission and conducts scientific experiments, all in the name of discovery. But, this time, her experiments lead to
