23 March 2020

Dear parents and carers

SCHOOL REMAINS OPEN

In line with the advice provided by the NSW Premier, please be aware that our school will remain open.

In many NSW schools teachers already deliver and manage learning activities using online tools such as email, Office 365, G Suite for Education and Adobe Connect. Kingsgrove Public School has been preparing staff and students for the provision of an online learning environment, through resources such as Google Classroom, online subscriptions students currently utilise (Reading Eggs/Mathletics) and other departmental resources. We will be providing information to our school community as soon as possible.

SCHOOL CANTEEN CLOSURE

Due to the current circumstances the canteens across the school will be closed from Wednesday 25 March 2020.

Our canteen operator, Mel's Tasty Bites, has advised that both school canteens will be open tomorrow, Tuesday 24 March. This will be their last day of operation until further notice.

From Wednesday 25 March, students will be required to bring their own recess and lunch from home.

NAPLAN 2020

The decision has been made not to proceed with NAPLAN in 2020. This has been done to assist school leaders, teachers and support staff to focus on the wellbeing of students and continuity of education.

Thank you for your ongoing co-operation and understanding. Should there be further changes, please be assured we will continue to communicate information to our school community.

Ms Fermanis
Principal
