27 April 2020

Dear parents and carers

Welcome to Term Two. A reminder that NSW Public Schools have been allocated an additional School Development Day for tomorrow **Tuesday 28 April**. This is a pupil free day.

Remote Learning Continues

For the first two weeks of Term 2 (until 8 May) students will continue remote learning from home, where possible. Kingsgrove Public School will remain open for students who are unable to learn remotely from home, similar to how the end of Term 1 was structured.

On Wednesday 29 April lesson content will be uploaded online through Google Classroom. Student logins for this platform remain the same. Work will be uploaded daily.

Collecting Learning Packs

Learning packs for each student will be available for collection at school on Wednesday 29 April. We encourage all families to collect a learning pack.

In keeping with the current health guidelines, we have allocated times for the collection of learning packs. This will ensure we avoid large gatherings of people on our school campuses. We request that all parents and carers observe the allocated times below and adhere to social distancing protocols. Please see times below for the collection of learning packs.
